 LOSING A JOB OVER

# YOU CAUGHT US LOOKING.

## **WE'RE LOOKING FOR A PARTNER.**

New Art Syndicate (N.A.S.) is pursuing submissions for a new team member. We'd like to complement our current (bijou) party with another who can support and execute our mission, with gusto and dedication.

As a nonprofit artist-run collective in Asbury Park, NJ, our mission is to (1) advocate for engaging works of art, (2) solicit intersectional conversation and (3) seek useful ways to ally with our communities. Our exhibitions, projects and events aim to cover these three bases while existing in a short-term, pop-up or site-specific capacity.

## **WE LIKE ARTISTS OR NON-ARTISTS.**

Do you have harsh taste or a strong social conscience? Does it feel nice to make stuff happen? Do you know alchemy? Are you good standing on ladders, or stomping them out, or raining dirt onto cynics? Consider yourself to us.

## **YOU COULD SUPPLY:**

### *Your Intent:*

Why would you like to be a part of N.A.S.? What would you contribute to our team? In less than 250 words.

### *Your Work:*

Supply (4) jpegs of current artwork, or links to projects you've participated in. If you don't have those things, show us 4 things that you do and - in a few words - tell us why. Thirdly, there's another option. Be creative.

### *Your CV and/or Resume*

### *Your Website and/or Instagram*

### *Your (2) References (optional)*

Include name & contact information.

## **YOU COULD CONSIDER:**

Applicants might live in the tri-state area (NJ, NY, PA), or function so to attend monthly meetings and participate in N.A.S. events.

Please respect your ability to make this commitment. We are fun and always looking for a good time, but we're not just fooling around. We're looking for a partner.

## **DEADLINE: NOVEMBER 6, 2017**
